Approved for 2 CPD Points

Irish Cardiac Society

SUMMER SYMPOSIUM 2022

MEET THE SPEAKERS:

Prof. Orla Franklin

Professor Orla Franklin is a paediatric cardiologist with a special interest in fetal and MR imaging. She is a graduate of UCC and trained as a cardiologist at John Radcliffe, Oxford University and Great Ormond Street Hospitals, London. She was appointed a consultant in GOSH in 2005 and relocated to Children's Health Ireland Crumlin in 2008. She is an associate clinical professor at Trinity College Dublin.

Dr. Andrew Howe

Dr Andrew Howe is a consultant cardiologist in the Ulster Hospital with subspecialist interest in imaging. He has completed fellowships in cross sectional imaging and advanced echocardiography with level 3 accreditation in CMR and Cardiac CT and BSE accreditation in transoesophageal echocardiography.

Ms. Sarah Early

Sarah graduated from NUIG in 2003, she completed an MD in molecular biology in RCSI and an MA in medical ethics and law from Manchester University. Following specialist training in cardiothoracic surgery in Ireland, she finished her training with a fellowship at University College London and the Heart Hospital which was supported by the Richard Stevens Scholarship. Sarah was appointed a consultant cardiothoracic surgeon at St. James's Hospital and clinical senior lecturer at Trinity College Dublin in 2014. She is currently Clinical Lead of the Department of Cardiothoracic Surgery at St James's Hospital.
