

Morning Programme

- 08.30 – 09.00 Registration
- 09:00 - 09:05 **Welcome - Prof. Deirdre Murray – Director - NCRI**
09.05 - 09.10 **Introduction**
Prof. Shirley Potter, Consultant Plastic and Reconstructive Surgeon, St. James’s Hospital, Dublin & **Prof. Desmond Tobin**, Professor of Dermatological Science and Director Charles Institute of Dermatology, UCD
Co-Chairs – Irish Melanoma Forum
- SESSION 1: Melanoma Management**
Chairs: Mr Fiachra Martin – Consultant Plastic and Reconstructive Surgeon, Beaumont Hospital, Dublin
Prof. Paul Donnellan – Consultant Medical Oncologist, University Hospital Galway
- 09:10 – 09.55 **Keynote Speaker - Prof. Alexander Van Akkooi – Associate Professor of Melanoma Surgical Oncology, Melanoma Institute Australia**
Neo-adjuvant immunotherapy in Melanoma: the future of surgery and adjuvant therapy
- 09.55 – 10.30 **Dr Sarah Lochrin – Medical Oncologist, St. Vincents University Hospital**
Neoadjuvant Therapy in Melanoma: Biology, Response, and Biomarker-Driven Decision Making
- 10.30 – 10.35 **Mr Jorge Reis – Senior Pharmacist – Aseptic Unit, St. Vincent’s Private Hospital**
Immune-related endocrine adverse events with ipilimumab and nivolumab in melanoma patients – St. Vincent's Private Hospital experience
- 10.35 – 10.40 **Dr Clara Doran – Core Surgical Trainee, St. James’s Hospital**
Incidence trends of cutaneous melanoma in young adults in Ireland: a 30-year population-based analysis
- 10.40 – 11.15 **Coffee – Exhibitor Stands – General Posters & Moderated Posters - Session 1**
Melanoma Nurse Meeting (11.20 – 13.00 – Cedar & Cypress Room)
CTI – DSSG Meeting (10:30 – 11:30 – Robing Room)
- SESSION 2: Melanoma Management**
Chairs: Prof. Auriele Fabre – Consultant Pathologist, St. Vincent’s Hospital, Dublin
Dr Paula Calvert – Consultant Medical Oncologist, University Hospital Waterford
- 11.15 - 11.50 **Keynote Speaker - Dr Patrick Ormond – Consultant Dermatologist, St. James’s Hospital**
Non-Clinical interventions in Melanoma
- 11:50 – 12:20 **Dr Jennifer Garioch – Consultant Dermatologist, Norfolk and Norwich University Hospital**
TVEC and Melanoma in transit metastases
- 12.20 - 12.50 **Dr Breeda Neville – Consultant in Public Health Medicine, NCCP, & Maria McEnery, NCCP Cancer Prevention Officer**
Sunbeds in Ireland. Where do we stand?

- 12:50 – 12.55 **Dr Melissa Crous – Dermatology Registrar – University Hospital Limerick**
Diagnostic accuracy of teledermoscopy in melanoma detection: A comparative study
- 12.55 – 13.00 **Dr Ao Lik Lee – Dermatology Registrar – St. James’s Hospital**
To FNA or not? Diagnostic Accuracy and False Negative Rates in Malignant Melanoma: A Six-Year Retrospective Analysis
- 13:00 – 14.45 **LUNCH – Exhibitor Stands – General Posters & Moderated Posters - Session 2**
- 13.30 – 14.15** *Industry Sponsored Symposium*
- Afternoon Programme**
- SESSION 3: Basic Research**
Chairs: Prof. William Gallagher – Professor of Cancer Biology, UCD
Prof. Breandán Kennedy – Professor of Pharmacology, UCD
- 14.45 – 15.40 **Keynote Speaker - Prof. Caroline Le Poole – Professor of Dermatology, Microbiology and Immunology, Northwestern University Chicago**
Pigmentation as a Melanoma vulnerability
- 15.45 – 15.50 **Dr Paul D Thompson – Senior Lecturer – School of Biomedical Sciences, Ulster University**
Oncogenic MAPK signalling regulated vitamin D receptor stability and function in BRAFV600E melanoma cells
- 15.50 – 15.55 **Chowdhury Arif Jahangir – Research assistant – School of Biomolecular and Biomedical Science**
Electrochemotherapy Drives Temporal and Systemic Immune Remodelling in Cutaneous Melanoma In-Transit Metastases: A Multiplex Spatial Analysis
- 16.00 **Prizes & Concluding Remarks**
Prof. Shirley Potter & Prof. Desmond Tobin
Co-Chairs – Irish Melanoma Forum
